

## eCarExpo 2022

### Bella Arena, 28-30 october

#### PRACTICAL INFORMATION

In this document, you as an exhibitor get access to practical information, technical regulations and safety rules that apply to eCarExpo 2022 in Bella Arena, Copenhagen. It is up to you as the stand manager to pass on this information to the stand builder you choose to work with.

#### THE STAND

##### Your stand includes

- Floorspace only
- Wireless internet
- One daily cleaning (vacuuming of floor and emptying of any wastepaper baskets)
- Some stand includes walls, see in you order confirmation

##### Carpet

It is mandatory for all exhibitors to have carpet or floor in their stand.

##### Wall Construction

If you want to set up a wall by your own that is not included in your stand you must follow the restrictions below.

- Wall construction along a corridor or in direct connection to a booth neighbor must be approved by the organizer and booth neighbor. Apply for permission to [moa@elife.se](mailto:moa@elife.se)
- Wall construction alongside an isle may only be covered 1/3 of the stand side.
- Partition dividing walls must be left neat and white to the neighbor.
- Exposure and constructions over 2,5 m must be approved by the organizer and booth neighbor, read more under height construction.

##### Height Restrictions

eCarExpo has a fixed maximum height of 2.5 m that applies to all stand constructions and exposure such as banners, walls, signs or other advertising message that takes place over a height of 2.5 meters. You must apply for permission for a higher building height, send your drawing for review to [moa@elife.se](mailto:moa@elife.se). A fee for height construction and advertising exposure will be added. The organizer has the right to demand dismantling if no permission has been granted for a specific build.

Please note that if a stand is built up higher than 2.5 m (and standing in direct to a neighbor), it must always have a neutral white surface facing any neighboring stands and cannot contain text or a logo.

##### Rigging in ceiling

Bella Center must establish the rigging points, but you can use it to mount your own chain block. All wires at Bella Center Copenhagen must be rigged with a wire lock. These locks can be purchased at the Exhibitor Service during official build-up days followed by a rigging guideline. Due to safety reasons, it is forbidden to load the wires. If you need to lift equipment, you should use chain blocks in rigging points.

##### Use of sticking material

If you need to stick material on to Bella Center Copenhagen's stand walls and fascia boards you must use a tape called DuploColl 43102, because this kind of tape can be removed without leaving marks or damages. It can be purchased onsite at the Exhibitor Service, where you can also find wall hooks for light weight equipment (e.g. poster frames). If you do not remove sticking material from the stand upon departure you will be charged for damages.

The floor is a tiled light coloured concrete floor. Only removable tape is permitted. Power, plumbing, network etc. will be supplied via the subfloor service ducts. The fire ventilation windows in the ceiling are without inflow of lights

## ORDERS FROM BELLA CENTER

### Deadline

Orders must be received no later than **21 of September**.

### Request & order confirmation

## HANDLING OF GOODS/CARS

### Packages & goods arriving before stand build-up:

It is not possible to deliver goods to the stands prior to the build-up period, unless an exemption for early build-up has been granted. Alternatively, shipments may be delivered to DSV Solutions' warehouse in Bella Center Copenhagen. Please contact DSV Solutions for arrangements, and information on pricing etc. Phone +45 32 47 30 17 / e-mail: [expo@dk.dsv.com](mailto:expo@dk.dsv.com)

### Packages & goods arriving during stand build-up and event:

Here, you must ensure that couriers are supplied with the correct name of the event, company name, telephone number, stand number, and you also need to ensure that you are on the stand to receive and sign for deliveries. If not, couriers are referred to DSV, which receives and stores your package/goods and deliver them directly to you on the stand. You will be invoiced for this service by DSV.

### Arriving cars for stands and test drive

The cars that will be inside can only be placed when the stand is ready. If the cars arrive before then, we have a separate parking space. This only applies for the cars in the stand or for the test-driving cars.

### Empty goods

Packaging, pallets and other surplus materials may not be stored in the halls during the event, but must be removed for storage by DSV Solutions for a fee charged to exhibitor. Please contact DSV Solutions to pre-order and get information on pricing etc. At the end of the build-up period, any material left in the aisles will be removed by DSV Solutions at the exhibitor's expense.

### Left material

Packed goods (pallets, boxes etc.) left on the stand when dismantling hours expires will be removed to DSV Solutions' warehouse in Bella Center Copenhagen and can be collected on the first workday after the event. The handling fee for this will be invoiced to the exhibitor. Please contact DSV Solutions for arrangements, and information on pricing etc. Any other left material will be considered as waste and disposed of at the exhibitors expense.

## LOGISTICS

**NO** vehicles are allowed inside the hall for unloading or loading. Please use the area outside the hall for unloading. From there your items can be transported on trolleys, which you may bring yourself. Alternatively, you may contact our logistics partner DSV on phone number +45 32 47 30 17 for assistance. This will be chargeable.

Access to the hall with vehicles will be conditional on the walking/working traffic in the hall. This means that we do not permit vehicles in the hall due to safety reasons, if many people are working in hall.

On the last build-up day, all unloading must take place outdoors as vehicles are not permitted in the halls at this late stage.

Please note that during dismantling vehicles cannot enter the area outside the halls until one hour after the closing of the exhibition.

### Parking

Unfortunately, it is not possible to park at the hall during unloading or loading. During build-up and event days you can park your car in the public car park named P1. It is possible to buy parking tickets at the parking machines in the car park or via the app (Apcoa or Easypark).

## VEHICLES

If you would like to have a vehicle in your stand, you must submit an application to Bella Center Copenhagen with a description and drawing of the location. The deadline is **21 of September 2022**. For approval you also need to follow below.

- All charging of electric cars may only be done outdoors.
- Maximum number of vehicles per booth is 6.
- There **MUST** be at least 5 meters between cars at one booth to the cars at the next booth.
- All the car keys need to be handed to service center after opening hours, to be able to move the cars in case of a fire.

## SERVICES

### Internet access

Wireless network is available in the hall. Please note that own wireless network may NOT be installed without the authorization of Bella Center Copenhagen, just as IT connections provided by Bella Center Copenhagen may not be shared with a third party. If an internet connection is critical for your stand, we recommend a cabled connection. If you need a dedicated (guaranteed) internet bandwidth or special server access, we recommend our dedicated products. These are available with thorough description in the exhibitor portal when searching for "Network". If you have any questions regarding your bandwidth requirements, we suggest that you consult with your own IT department.

### Catering for the stand

If you wish to order food and beverages, please visit the exhibitor portal and place your order by **24 of October 2022** at the latest. After this date you can order via [ecarexpo2022@bellacenter.dk](mailto:ecarexpo2022@bellacenter.dk) or phone +45 32 47 33 42. Please note that if you want to bring in your own catering related products and it requires to be kept cool, or if you wish to prepare food at your stand, Danish Food and health regulations approval must be obtained and you need to contact Bella Center Copenhagen to apply for a permission.

### Copy service

If you need to copy or print on A4 or A3 during build-up or event days, please contact the conference counter in Tower 2 at AC Bella Sky Hotel, which is connected to Bella Center Copenhagen (phone +45 32 47 36 00). The opening hours are weekdays 7.00-19.00.

### Complaints

Should you wish to file a complaint about services supplied by Bella Center Copenhagen, this must be done in writing and delivered before the event closes. [ecarexpo2022@bellacenter.dk](mailto:ecarexpo2022@bellacenter.dk)
